DRUM LOADER & UNLOADER

Load and unload drums onto pallets with the Drum Loader & Unloader. Designed for warehouses, workshops and mining workplaces, this unit combines a claw-like gripper with hand-pump lifting for convenient drum handling.

- **Secure Drum Grip.** Claw-like gripper provides simple attachment to the drum.
- **Hand-Pump Lifting.** Raise drums with minimal effort using the manual hydraulic pump.
- **Easy Manoeuvrability.** Rear swivel wheels help users position the loader around pallets and work areas.
- **Braked Rear Wheel.** Keeps the unit stationary during loading and unloading.
- **Versatile Application.** Suited to drum handling in transport, logistics, warehousing, construction and mining environments.
