GAS BOTTLE/KEG TROLLEYS

This do-it-all trolley can handle most sizes of gas cylinders and kegs, with a simple winch and secure chain taking the stress and strain out of the transportation process.

- **Versatile**. Adjustable chain attachment for securing the load.
- **Safe**. Easy hand-winch to lift and lower.
- **Easy**. Platform reaches the ground for easy loading/unloading.
- **Convenient**. Folds away for compact storage and transport.
- **Manoeuvrable**. Solid rubber wheels (fixed front 225mmØ, swivel rear 200mmØ).

While this trolley is suitable for most cylinders and kegs, please check your bottle/keg measurements prior to purchase to ensure the right fit on this trolley winch platform.
