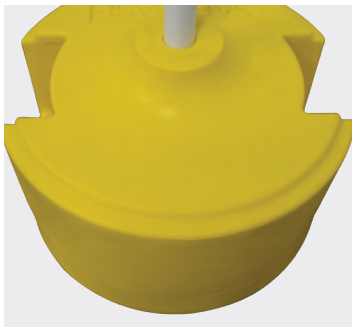
# DELINEATOR POST

Highlight hazards, map out protection or exclusion zones, and guide workers and visitors around your site with hi-vis delineator posts. Versatile, durable and perfect for parking lots, islands, work zones, barriers, driveways, temporary access routes and beyond.

- **Tough**. Built for harsh environments from durable plastic.
- **Detachable**. Separate the post and base for storage.
- **Stable**. Fill the base with sand/water or tie the base down.
- **Stackable**. For easy transportation and storage.
- **Mobile**. Equipped with handles for ease of movement.



Durable plastic

Fill with sand and water
