# PLATFORM LIFTERS

Fitted with a nylon lifting platform and ergonomic handle, our platform lifters make lifting, lowering and moving trays, bins and more a breeze. Operated via a simple up/down switch (comes with a safety inertia device and 6Ah to 21Ah battery charger).

- **Compact**. Lightweight and easy to use in tight spaces.
- **Manoeuvrable**. All swivel wheels, with rear brakes for safety.
- **Customisable**. We have a range of lifting attachments available, including tines, keg lifters and roll probes.

Rear braked castors

Electric controls

**Upgrade** to ball transform platform
