

Nitrile Blue Powder Free Gloves

Usage

These gloves offer outstanding resistance to many commonly used chemicals, and greater protection against puncturing. Suited for use in health, hospitality and food industries, or anywhere your hands need protection with little impact on dexterity.

Features & Benefits

- Ambidextrous
- Latex and powder free
- Increased thickness for excellent puncture resistance and strength
- Superior barrier protection over latex and vinyl
- Fully micro textured for superior wet and dry grip
- Single Use only
- HACCP certified and TGA listed

Ideal for:

Retail | Mining | Agriculture | Hospitality/Food Services | Health/Medical | Office/Education | Cleaning
