

STURGO®

Drum Loader / Unloader

Usage

Suited to workplaces where drums need to be loaded and unloaded onto pallets, this machine allows users to shift drums safely and ergonomically.

Features & Benefits

- Simple attachment to drum rim via claw-like gripper
- Hand pump lifting action allows user to lift drums with minimal effort
- Rear swivel wheels provide excellent manoeuvrability
- Braked rear wheel keeps machine stationary while loading/unloading

Specifications

Model 16810083
