

ZINC PALLET CAGES

Stackable. Collapsible. Durable. Ideal for any production, warehousing and component storage environment, these cages make life and storage easy. They can be assembled in seconds without any tools, collapse for easy storage, and come with drop-down access gates, providing easy access to the base, even when stacked.

- **Durable.** Zinc-coated steel construction.
- **Smart.** Space-saving collapsible design.
- **Safe.** Positive locking bar ensures no movement.

- **Secure.** Sheet base prevents small items escaping.
- **Stackable.** 'Cup feet' design for safe stacking, suitable for pallet racking.
- **Manoeuvrable.** Pallet jack and forklift access on all sides.
- **Accessible.** Hinged fold-down front and back gates (1000H model). Latched removable front and back gates (715H model).

Optional mesh divider, lockable lid and PVC cover available.
