

**STURGO®**

# Hydraulic Furniture Mover

## Usage

Excellent for the safe and professional transport of heavy items such as furniture. Ideal for use in removals, maintenance, assembly and installation applications.

## Features & Benefits

- Hydraulic lift function with simple operation: position lifting plates underneath the object to be moved, tension the securing straps, lift item on both sides to equal height and then move
- Built-in securing straps (5m length)
- Steering handles for direct control of the wheels
- Heavy duty wheels with ball bearings, non-marking polyurethane castors
- Powder-coated frame for durability

## Specifications

### Model 16810058

Overall Dimensions: 680 x 420 x 1070mm

Load Capacity: 1800kg

Unit Weight: 86kg

Lifting Height: 250mm

Lifting Plate: 600mmW x 60mmD

Castors: 150mm diameter
