

# FLAT TOP WAREHOUSE PLASTIC PALLETS (HEAVY DUTY)

Invest in heavy-duty full and half pallets that perform (and keep performing) in the toughest environments, lasting an average of 10 times as long as wooden pallets. Any sector. Any cargo.

- **Tough.** Injection-moulded, heat-compression-welded construction.
- **Strong.** Integrated load beam. Full pallet withstands loads up to 2000kg in beam racking.
- **Hygienic.** Easy to hot wash, steam clean or chemically sterilise.
- **Resistant.** Impervious to water and weaker acids and alkalines.
- **Versatile.** Ideal anywhere, including coolrooms, labs and food environments.
- **Light.** Less than half the weight of wooden pallets, saving on transport costs.
- **Smart.** Anti-slip design. Two-way forklift and pallet jack entry points.
- **Environmentally friendly.** Constructed of 100% recycled HDPE.
