

Oxidising Agent Storage Cabinets

Usage

Built for the most demanding environments, these Oxidising Agent Storage Cabinets comply with all relevant AS/NZS Standards.

Features & Benefits

- Heavy duty steel construction, finished in 2 pack powder-coat for durability
- Yellow cabinets are designed for indoor storage; blue cabinets are suited to outdoor storage
- Supplied with relevant safety signage
- Hydraulic door action which pops open automatically if internal pressure increases
- Outdoor cabinets feature lifting lugs, forklift channels, cambered roof and cyclone-strength engineered footings
