# Flightline Cabinets

## Usage

The ideal solution for mass mobile tool storage!  
These cabinets provide clear vision of stored items for more efficient work processes.

## Features & Benefits

- Modular design with a removable tilted pegboard used for hanging tools
- Allows the easy transport of large volumes of tools and instruments
- The cabinet design also provides a dust-preventative environment
- Large diameter, heavy duty braking & fixed castors
- Clear poly-carbonate roller shutter with exceptional springing system

## Ideal for:

Transport/Logistics | Warehouse | Workshop | Construction | Mining | Servicing/Maintenance | Agriculture

- Counter-balanced two way mortice key lock and anodised bottom rail
- Extra storage available by removing the pegboards
- Tool hook kits available separately
