

STURGO®

Manual Stacker with Adjustable Forks

Usage

Suited to lifting heavy objects with minimal effort. The removable platform allows use as a platform stacker or for lifting small Euro style pallets (no bottom boards).

Features & Benefits

- Adjustable forks with removable load platform
- Hydraulic foot pump for controlled raising and lowering
- Braked castors
- Perspex Safety Shield provided as standard feature
- Powder-coated finish
- Three lift heights available - 1100mm, 1500mm or 1700mm

Ideal for:

Transport/Logistics | Warehouse | Workshop | Retail | Construction | Mining | Servicing/Maintenance | Agriculture | Office/Education | Cleaning
