Visual Tool Cabinet

Usage

The ideal solution for mobile tool storage! These cabinets provide clear vision of stored items for more efficient work processes.

Features & Benefits

- Robust 2mm rigid interlocking frame for structural stability
- Three point locking mechanism for additional security, with the option of a Retractable Door or a Hinge Door
- Inclined pegboards for hanging tool storage
- Perspex Doors allow full visibility of stored items
- Heavy duty, non-marking braked and fixed castors
- Tool hooks available separately
