

LOCKER WARDROBE

Purpose-built for WA mine site villages, this heavy-duty Locker Wardrobe offers secure, organised storage for uniforms, PPE, and personal gear – ideal for long-term FIFO stays and back-to-back rooms.

- **Mine-Ready.** Welded steel, reinforced corners, and powder-coated for durability.
- **Dual Access** – Two-sided design with shelves, drawers, and hanging rails.

- **Secure.** Padlock-ready doors.
- **Easy ID.** Double-folded doors with label holders for fast allocation.
- **Practical.** Designed for comfort, security, and long-stay convenience.

Podlock-Ready Secure with your own padlock.
