

OIL RECOVERY TROLLEY

Designed for efficiency, these compact drain trolleys come in 150-litre and 350-litre capacities, making them ideal for the collection of engine oil, fluids and coolant during maintenance tasks.

- **Safe:** Equipped with a foot jack for secure braking.
- **Durable:** UV-stabilized and chemical-resistant with solid tires for easy maneuverability and no risk of punctures.
- **Easy:** Features a convenient plug for hassle-free oil disposal.
- **Tough:** Constructed from a single piece of LDPE for enhanced durability.

Foot jack for Braking
