

AEROSOL STORAGE CAGE

Secure, compliant storage for aerosol cans—ideal for workshops, warehouses, and industrial sites.

- **Safe.** Designed to meet relevant Australian Standards.
- **Strong.** Heavy-duty steel construction for long-term durability.
- **Secure.** Lockable doors and bolt-down plates for added protection.
- **Organised.** Keeps aerosol cans neatly stored and accessible.
- **Durable.** Powder-coated green finish for high visibility and corrosion resistance.

Podlock Secured

Lockable Doors
