Aerosol Storage Cabinets

Usage

These Aerosol Storage Cabinets are manufactured in Australia using premium raw materials and automated manufacturing. The perforated walls allow for projectile protection in the event of a fire.

Features & Benefits

- Compliant with AS4332-2004 and ideal for storage of flammable aerosol cans
- Fabricated from heavy duty sheet metal & finished with a high build powder coat for corrosion protection
- Seven sizes available

Ideal for:

Transport/Logistics | Warehouse | Workshop | Retail | Construction | Mining | Servicing/Maintenance | Agriculture | Hospitality/Food Services | Health/Medical | Office/Education | Cleaning
