

MEGA BENCH ACCESSORIES: BACKING PANEL

All the tools you need to use at your Mega Bench, all within easy reach, saving time and helping you 5S your workspace.

- **Tough.** Robust all-steel construction with corrugated walls for extra strength.
- **Versatile.** Attach a wide variety of tools, including a binning rail for loose parts.
- **Reconfigurable.** Place your tool hooks and tools wherever you want.

- **Heavy-duty.** Reinforced metal tool board and tubular steel frame.
- **Durable.** Tough powder-coat finish.
- **Customisable.** Add GPOs and LED lights to suit your workspace.

Select from our range of tool holders and accessories to create the storage solution that's perfect for your workplace.

Increase productivity by staying close to your tools

Personalised organisation: configure your workspace
