

Industrial & Heavy Duty Chairs

11830028

11830023

11830021

11830025

Usage

These chairs are suitable for a wide range of industrial workplaces, including manufacturing, process work and wet areas.

Features & Benefits

- Heavy Duty models have 150kg load rating, all others are 110kg rated
- Polyurethane materials allow for easy cleaning and durability
- Most chairs can be fitted with glides or castors
- 5 leg base provides greater stability
- Optional arm rests and foot pedals are available
- Height and tilt adjustable to suit individual needs (3 lever underseat mechanism)
