

Wheelie Bins

Usage

Our mobile garbage bins are moulded in specially developed low-pressure polyethylene which is resistant to rot, frost, heat, chemicals and UV light.

Features & Benefits

- Manufactured to high quality Australian Standards
- UV stabilised plastic construction prevents colour fade, cracking and shattering
- Long lasting and hard wearing
- Rodent proof container
- Choose any combination of bin and lid colours
- Smaller bins are ideal for indoor use such as commercial kitchens
- Zinc plated axles to protect from rust
