

# Plastic Supra Bins

## Usage

The Supra Bin range helps to keep your workspace tidy and organised! Their bright colours assist with segregating categories of small parts and components

for easy visual reference in manufacturing, assembly and order picking environments. The range of sizes makes them suitable for storage on various types of shelving, mobile tool trolleys and panel systems.

## Features & Benefits

- Made from Polypropylene Copolymer
- Strong rear lip for use with louvred panels
- Strong heavy duty with reinforced base, sides & stacking rim
- Resistant to most industrial solvents, withstands high temperature
- A choice of internal divider systems, enables effective storage of a wide range of components

- from small to medium size
- Clear access to contents
- All bins with ID card holders
- Safety stop feature in SB4, SB5, SB6 for use in shelves
- Colours available: SB1-6 come in blue, red, green and yellow; SB7 only available in red and blue
