

# RETRACTABLE SAFETY TAPE REEL

A go-to, Australian-made solution for creating safety boundaries, barriers or exclusion zones to keep people safe. Loading and unloading vehicles. Entrances to factories. Working machinery. Spillages or securing unsafe areas. A lightweight and portable solution to practically any demarcation challenge.

- **Durable.** Woven nylon webbing and non-rust, UV-resistant polypropylene case.
- **Tidy.** Fully enclosed tape and reel mechanism.
- **Safe.** Comes with a stainless-steel safety catch.
- **Ready-to-go.** Mounting bracket and carry handle included.
