

Self-Propelled Sweeper

Usage

Efficient and economical floor sweeper with self-propelled action makes keeping your warehouse free from trip hazards.

Features & Benefits

- Self propelled when going forward or reversing making sweeping easier
- The Powerful dust suction ability yields a volume of more than 600m² of air per hour through a dust filter of 3m²
- Convenient for both outdoor and indoor use
- Smooth-running, making it great for use on carpets
- High performance suction system for reduced dust discharge into your working environment
- Polypropylene Double Row main brooms are standard to assist with the sweep action meaning a one pass sweep in heavy conditions
- Excellent ramp-climbing ability ensures easy transport
- Chain driven, ensuring no belt slippage, with minimal maintenance required

Specifications

Model 15350012

Sweeping Path: 900mm width

Hopper Capacity: 60L

Dimensions: 1150mmL x 790mmW x 600mmH

Coverage Performance: 3600m²/h

Power Source: 12v Battery

Gradient: 20%

Decibels: 76

Unit Weight: 105kg
