

ELECTRIC HOUSEKEEPING TROLLEYS

Compact. Versatile. Ergonomic. Using Rubbermaid's Classic Housekeeping Cart as a base, with its exceptional storage capacity, we've developed a customisable, electric-powered super trolley that can be configured and adapted to make any housekeeping challenge easier.

- **Capacious.** Full-size cabinet, vinyl bag, vacuum platform and under deck shelf.
- **Robust.** Commercial-grade moulded construction with bumpers.
- **Manoeuvrable.** Easy to control and move, with variable speed controls.
- **Long-lasting.** Long-life rechargeable battery.
- **Customisable.** Ask us about accessories and create your own electric trolley:
 - Choose standard or centre-drive configuration.
 - Add cart doors and equipment holders.
 - Fit puncture-proof or pneumatic drive wheels.
