STURGO®

iCrate Step Stool

Usage

STURGO® iCrate offers one of the most reliable methods of height gain without compromising on user safety.

Features & Benefits

- Strong, durable, single mould construction
- Lightweight and transportable
- Stackable
- Fully recyclable
- Moulded non-slip surfaces provide higher traction and durability than traditional steps with grip tapes that wear and peel
- Moulded carry handles underneath top step
- Can be fastened to ute tray or toolbox via securing point
- Includes replaceable rubber feet, for use in wet & slippery areas
- Available in safety orange colour
- Certified load tested to 200kg UDL
- Made in Australia
