

**STURGO®**

## Step Stool with Handles

### Usage

STURGO® Safety Step provides a safe option for a small step-up with anti-slip steps and a wide base platform.

### Features & Benefits

- Strong, durable single-mould plastic construction
- Stackable, lightweight design
- Dual handles for easy carrying
- Handles also provide securing point for strapping to ute trays
- Non-slip surface on steps and platform
- Replaceable rubber feet for slippery surfaces
- Fully recyclable
- Certified load tested to 150kg UDL
- Made in Australia
