

# Low Profile Tipping Bins

## Usage

Designed with a low profile, this tipping bin provides versatility in confined spaces.

## Features & Benefits

- Pouring lip and smooth formed edges make this ideal for food industry applications
- Operated by a pull cord from the drivers seat
- Custom built shock absorber prevents impact forces affecting the driver during emptying
- Available in enamel paint finish or galvanised finish
- Safe Working Load of 1000kg
- Options include Hydraulic function, crane lugs, Lids, wheel kits, drain valve & strainer

## Specifications

### Model 11640088 - Painted

### Model 11640089 - Galvanised

Dimensions: 1400mmL x 700mmW x 940mmH

Capacity: 0.5 cubic metres

Unit Weight: 185kg

Compatible Wheel Kit: 11640152

Pocket Size: 185 x 65mm

Pocket Centres: 380mm

HCG: 800mm

VCG: 400mm

### Model 11640091 - Painted

### Model 11640090 - Galvanised

Dimensions: 1400mmL x 1000mmW x 940mmH

Capacity: 0.75 cubic metres

Unit Weight: 200kg

Compatible Wheel Kit: 11640158

Pocket Size: 185 x 65mm

Pocket Centres: 660mm

HCG: 800mm

VCG: 400mm

## Ideal for:

Transport/Logistics | Warehouse | Workshop | Retail | Construction | Mining | Servicing/Maintenance | Agriculture | Hospitality/Food Services | Health/Medical | Office/Education | Cleaning
