

# SOLID LINEN TROLLEY SURROUND

The Solid Linen Trolley Surround provides a durable, enclosed solution for keeping soiled linen off the ground and organised. Its lockable door allows easy access, while the weather-resistant roof protects contents, making it ideal for outdoor use. This surround enhances cleanliness and aesthetics in high-traffic areas like villages and hospitality settings.

- **Robust.** Made from durable metal, built to withstand tough conditions and frequent use.
- **Aesthetics.** The enclosed design helps maintain a clean and tidy appearance, improving the overall look of any space.
- **Smart.** A lockable door and weather-resistant roof ensure easy access and protection from the elements.
- **Safe.** Keeps linen securely contained and protected from like snakes, spiders and other crawling reptiles.
