

Work Platform - Forklift Man Cages

Usage

Designed with safety in mind, work platforms are ideal for carrying out maintenance tasks of short duration and occasional usage where working at heights is paramount.

Features & Benefits

- Two types available - Fully Welded or Flatpacked
- Manufactured according to AS2359.1, with floor-mounted harness anchor points in accordance with AS/NZS 1891.4:2009
- Suitable for up to 2 people
- ** Please note the use of this work platform on a forklift truck should not be considered if the capacity of that forklift is less than 1800kg for a counterbalanced type or 1080kg for a straddle type Forklift.**
- We recommend always using a safety harness and lanyard when performing work at heights

Specifications

Model 11640065 - Flatpacked

Dimensions: 1230W x 1150L

Load Limit: 250kg

Unit Weight: 110kg

Load Centre: 600mm

Fork Pocket Size: 160 x 60mm

Fork Pocket Centres: 640mm

Supplied with locking pins. Zinc plated finish.

Model 12200002 - Fully welded

Dimensions: 1175mmL x 1200mmW x 2000mmH

Load Limit: 250kg

Unit Weight: 115kg

Load Centre: 600mm

Fork Pocket Size: 160 x 60mm

Fork Pocket Centres: 640mm

Horizontal Centre of Gravity: 550mm

Vertical Centre of Gravity: 600mm

Supplied with locking pins, Galvanised finish.
